Perspective Taking and Problem Solving

SLP
k-5

Jenna Rayburn, M.A. CCC-SLP

Directions: This download includes 3 levels of play focusing on social skills for children in elementary school. Included: Social Problem Solving Level 1 & 2 and Taking Perspectives. For each game print all cards. Students answer pragmatic cards. If they answer correctly they keep the shoe. If they draw a "gum on your shoe" card they lose their turn. Bonus cards: 16 more Perspective Taking cards were added. Pick two different points of view on these topics. Place the card in the middle of the two shoes and practice thinking about two different points of view.

Copyright FAQ

There are 3 SLPs in my building. Can we share one download?

You can share one download as long as you purchase two additional licenses from my store. Go to "My Purchases" and select "purchase additional licenses".

The item was free. Can I post it on my school website for homework?

No, you may not post the item or part of the item for download online. This applies to both free and paid items.

My district SLPs post resources in a shared Google Drive account. Is this allowed to go there?

No. It is a copyright violation to share the download through an online server. If you want to share the resource as a recommendation, share a link to the download.

Can I make copies and send this resource home with my students?

Yes! You may make as many copies for your caseload/classroom as needed.

I purchased an RtI packet. Can I share it with all the teachers in my school?

Yes! The RtI packets are okay to share with other staff in your building. If there are multiple SLPs, please purchase an additional license for each SLP.

I love this resource! Can I share about it on my website?

Yes! You can post the cover image and direct link to ShopSpeechRoomNews.com on your website. I'd love to know if you post, so email me jenna@thespeechroomnews.com.

I'm still not sure how I can use this resource. Who can I ask?
